

Expired Permit Close-Out — Progress Report

Two commercial properties • SW 128 ST, Miami-Dade County

PREPARED FOR

So-Jo & Assoc Ltd • Flyer Ventures Ltd Partnership

REPORT DATE

June 18, 2026

Current status of the expired permits we are closing out with Miami-Dade County under our agreement. We work each permit individually with the County's trade departments and will update you as each reaches a closed status.

10	4	6
PERMITS UNDER CONTRACT	CLOSED	IN PROGRESS

12176 SW 128 ST

Folio 3059130110010 • Owner of record: So-Jo & Assoc Ltd

PERMIT #	WORK	STATUS	NOTES / NEXT STEP
1993052444	A/C (unlimited)	CLOSED	Closed with the County.
1993033048	General building	CLOSED	Closed with the County.
—	A/C / sheet metal	CLOSED	Closed with the County.
1993033053	General building	IN PROGRESS	Only step remaining is the County mechanical inspection — we schedule it and the permit closes on a pass.
1993134377	Electrical	IN PROGRESS	(1) Update the contractor of record; (2) retrieve the archived plans from the County; (3) reactivate the permit; (4) pass the final electrical inspection.
1993152146	Burglar alarm	IN PROGRESS	(1) Reactivate the permit; (2) retrieve the archived plans; (3) pass the final electrical inspection.
1992068073	Burglar alarm	IN PROGRESS	(1) Reactivate the permit; (2) retrieve the archived plans; (3) pass the final electrical inspection.
S1991090694 †	Burglar alarm	IN PROGRESS	Pre-Hurricane-Andrew permit (1991) — confirming with the County whether records survive. May close administratively with little or no work; if not, reactivate the permit and pass the final electrical inspection.

† Permit S1991090694 (1991) predates Hurricane Andrew (August 1992). Many Miami-Dade County permit records from before the storm were destroyed; pending County confirmation, this permit may require little or no work to clear.

11900 SW 128 ST

Folio 3059130030320 • Owner of record: Flyer Ventures Ltd Partnership

PERMIT #	WORK	STATUS	NOTES / NEXT STEP
1994011580	Fire alarm	IN PROGRESS	Rough inspection already approved. Final electrical and fire inspections remain — we schedule both and the permit closes on a pass.
—	Heating / mechanical ventilation	CLOSED	Closed with the County.

We will provide written confirmation as each remaining permit is closed. Please reach out with any questions.
